

**ASTRONAUT
MISSION CARD**

BOX 1

ASTRONAUT:

I am the only one able to pilot our Cruiser-3. You are la crème de la crème and i need you to take off as fast as possible. That's why we need to know each other to start our journey to space.

MISSION:

Everyone chooses a character, which gives you a specific role in this adventure. One by one, read aloud the description and the Trou Story on your character card.

Warning! You are allowed to use only one joker if you don't want to answer a sentence.

Next find the password to proceed.

MECHANIC MISSION CARD

BOX 2

MECHANIC:

My works are world famous, the biggest companies ask for my advice as a mechanic. Unfortunately, with my hundreds of hours welding my eyes got weak. I need your help to find the password of my shed.

MISSION:

Among those flags, one has been modified. The change will be the 1st number of the password (for example, the 4 flags = 4, the 3 houses =3, the star =1 or the dragon=1).

The flag (modify or not) with the most colors and the one with the less will be respectively the 2nd and the 3rd number of the password.

The 4th number is the average of the 4 number hide in the pictures.

Careful when defining a color!

ELECTRICIAN MISSION CARD

BOX 3

ELECTRICIAN:

Electric sketches are my cup of tea ! Without connection nothing can work. A well structured team is like a well plugged electric circuit. Enlighten me to find the organizational chart of the team.

MISSION:

With your knowledge of the company, draw the organization chart. In other words, explain how the services are linked together especially those you work in. The aim is to draw the most accurate version. After 10 min passed, show it to the game master.

**COMPUTER
SCIENTIST
MISSION CARD**

BOX 4

COMPUTER SCIENTIST:

Born a genius in my field, my knowledge is not binary. I'm a master in language control. Unfortunately I lost my computer password.

MISSION:

In the box you can find cards with different phrases from several different regions. Gather them by pair and find the 4-number password.

ASTROPHYSICIST MISSION CARD

BOX 5

ASTROPHYSICIST:

My knowledge of stars is my best tool to travel the Earth and Space. I will guide my peers from the beginning until the end, without losing anyone.

MISSION:

Solve the riddles and find the clues hidden all over the world.

Reminder: You can only use 1 phone.

ENGINEER MISSION CARD

BOX 6

ENGINEER:

My varied skills will allow me to use the best of everyone in our team to succeed in the rocket crafting. Thanks to the reading of the plans we will be able to take off : off to the moon!

MISSION:

Only the engineer can read the rocket plans: he must hide it from anyone else. As a team and thanks to the engineer's advice, build the rocket to achieve your final goal
