

ASTRONAUT

ASTRONAUT

On earth, I spend most of my time training for our space mission. Always dreaming, I am a scientist and a space traveller. I am ready for this mission.

TROU STORY

My middle name is....., my other name is
and people call me.....
I'm working in because i love
I have several gifts like.....
I'm a big fan of..... because
I would have liked living in 19 because
I'm driving a and it's..... for the planet
My favorite planet is..... because i love ... but
mostly.....
I'm scared of
My favorite song is.....
I might have said..... stupid things and
true things.

MECHANIC

MECHANIC

As a pro in mechanical fields I am in charge of the rocket maintenance. Always here to give some tips, I am setting and controlling every part to prevent breakdowns. I know each assembly, each screw more than anyone. I have great trust in our spacecraft..

TROU STORY

My name is but people call me.....

I come from.....

My work consists in..... but I have already worked in

In my opinion, the people of the 90s are way to.....

I am spending most of my time.....

My favorite song is.....

When I was younger, I was a big fan of the movie

I had a poster of..... in my room.

If I were on a lonely island I would take.....

ENGINEER

ENGINEER

I am solving all technological issues. Mostly in charge of the design, production and implementation of our rocket. My experience in technical draft allows me to oversee our rocket repairs and take off from this planet.

TROU STORY

My name is..... and I was born on the....., the same day as.....

My friends call me.....

The best century is.....because.....

I love spending my time.....

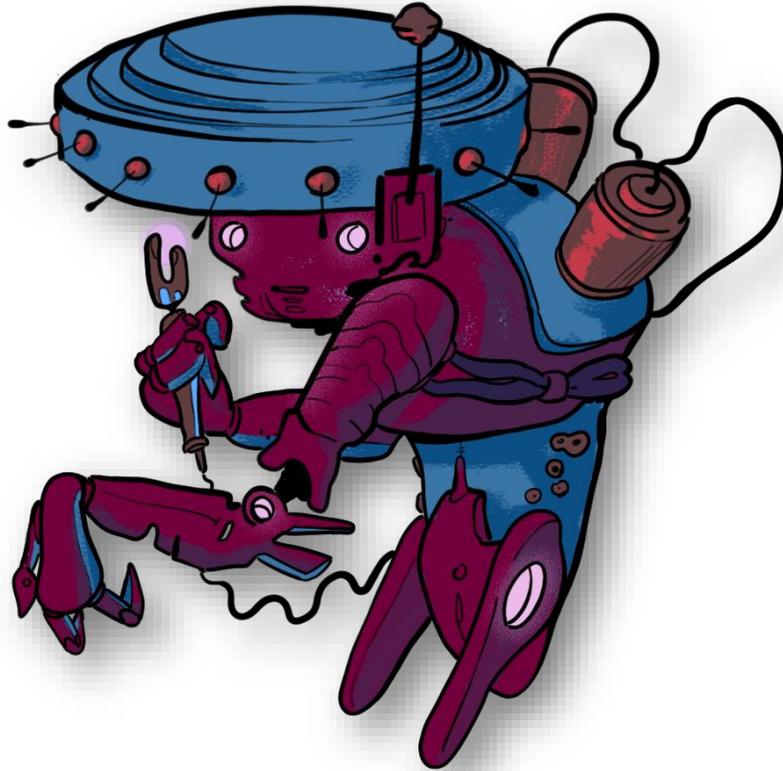

I used to work in..... but now I am

When I was younger I had a poster of..... in my bedroom.

I think that aliens..... and if I ever met one, I would tell him:

My spiritual animal is..... but if I reincarnate, it would be in

If I had to be lonely on an island I would bring..... and my.....

ELECTRICIAN

ELECTRICIAN

I am always aware of the latests breakthrough and as such, I often have to untangle the knots. I am in charge of all the electric buildings, supplies and all the connections in the rocket. Without me, no energy to supply the rocket!

TROU STORY

My name is but people call me

I come from.....

I am working as

My favorite song is

What I would have loved to keep from the older generation.....

My favorite hobby is.....

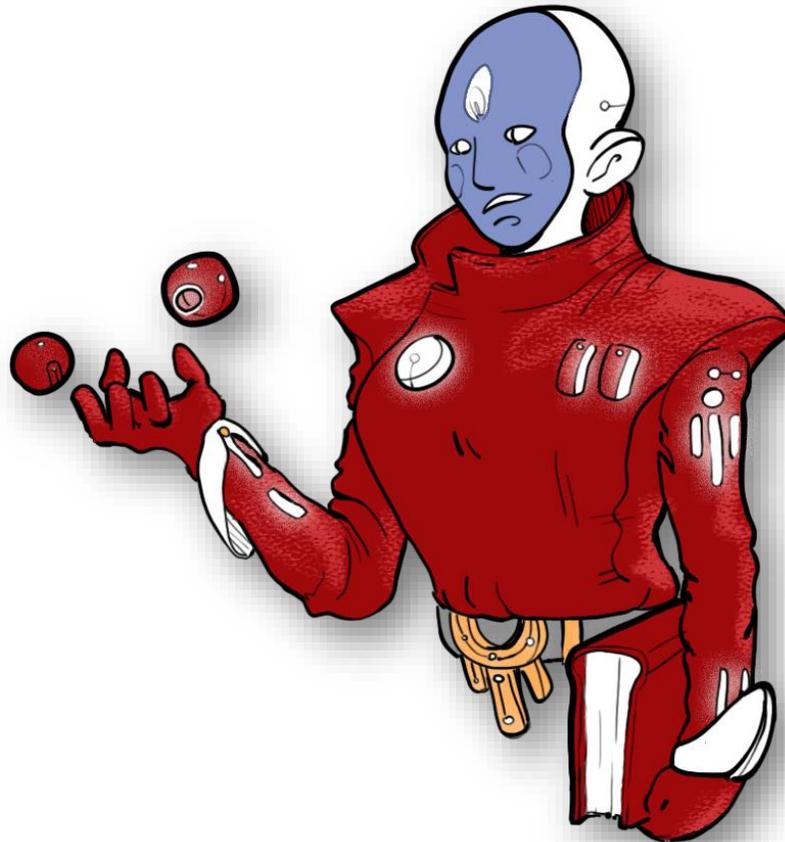

B like.....

My animal totem is..... but if I had to reincarnate, it would be in

I never go out without my and my.....

Social networks are in my opinion

A TV show that I love is

ASTROPHYSICIST

ASTROPHYSICIST

Stars in the eyes, I am giving a hand this spatial exploration mission, and doing my best to understand the formation and evolution of the universe. Stars and planets are my language, I will be the eyes of our astronaut during the mission.

TROU STORY

My name is but everyone call me

I'm working in..... because I love.....

I was born in....., the city of.....

In my opinion, the people of the 60s are...

My best hobbies are and

My guilty pleasure is.....

My favorite song is

I never go out without my

And my.....

If I had to be lonely on an island, I would bring..... and my.....

INFORMATICIAN

COMPUTER SCIENTIST

Cyber explorer, I am the creator of the interfaces, and communication languages between machines. I have created a virtual world for our rocket. With this robust protocol, no more bugs for our space conquest.

TROU STORY

My name is but people call me

My childhood dream was to work in....

Today my work is

Hey ! You young people are.....

My favorite movie is.....

During my century we could

My favorite meal is.....

I love spending time ...

For the recipe, you need.....

I think that aliens..... and if I ever meet one, I would tell him.....

I might have said..... stupid things and true things.
