

MANAGER INSTRUCTIONS

U'nity Game

Before the game

Step 1

Get to know the board and the different cards.
Read the player's guide and the manager's guide thoroughly

Step 2

Choose 6 to 9 players to participate in the game. Try to have as many different positions as possible.

Step 3

Choose the level(s) of the game you are going to animate according to your time constraints and the different phases already completed.

Step 4

Set up the board (with 3 or 4 teams) and build the pile of mystery cards according to the topics you are going to discuss (*see manager guide*).

Step 5

Gather your staff around the board. Form teams and give each team a player's guide to read together.

Before the game

Step 6

- Start a 2 minute timer at the beginning of each new round.
- Make sure the skill points are exchanged correctly.
- Answer the questions (bonus cards).
- Animate the different exchange phases.

End of the game

Step 7

Keep score and go round the table to highlight feedback/learning on the game.
